

Raccoon

a Little Hand Embroidered Pocket Animal

Embroidery Pattern by
Jacque Davis

This little Raccoon pocket doll is approx. 6 by 3.5 inches, hand stitched on 100% cotton painter's drop cloth canvas. To make the doll, trace the pattern on a 8x8 inch of cloth, embroider and then cut out leaving a $\frac{3}{8}$ " seam allowance. Back with plain cloth and stuff with polyfil.
